## BE AWARE - BE SNITCHES AND GRASSERS AWARE

**RECENT SPATES OF ONGOING MASK WEARING, DISTANCING AND OTHER NEFARIOUS ACTIVITIES HAVE LED TO AN UNSEEMLY RISE IN SNITCHES, GRASSERS AND OTHER ANTI SOCIAL BEHAVIOUR FROM MEMBERS OF THE PUBLIC.**

Our advice from the highest lawful authorities is that such actions are adjudged to be not only repugnant but unlawful, thus we are compelled to warn you and anyone you may know to be on your guard, when noticing any indication these crimes are committed. Twitching curtains, obvious stalking, surreptitious whispering and tutting are all recognised signs of such criminal behaviour.

Anyone considered engaging such activity will make them liable to be an accessory to major criminal activity, most immediately to those of fraud and genocide. Being marked an accessory to any of these crimes carries with it heavy penalties. Ignorance of the law is never a defence.

We fully comprehend, from the point of view of curtain raising, surreptitious tracking within one's street, cul-de-sac or housing estate may be considered innocent acts of nosiness, creating no harm to anyone and merely carrying out a good citizen's responsible Neighbourhood Watch. However due to the serious nature of such criminal activity it associates with, it is deemed a very serious act of misconduct.

If you know or are aware of anyone conducting such activity, we advise gentle counsel to desist.

Generally these acts are not carried out with criminal intention, they are mostly performed through ignorance of the law. However there are those whose conscious desire is to be wholly unneighbourly.

It is to these we are keen to draw their attention to, before being forced to move to criminal charges.

**:: NOTICE IS SERVED ::  
SUCH ACTIONS ARE CRIMINAL AND WILL BE TREATED AS SUCH!**

**ACTS OF SNITCHING, GRASSING OR OTHER ANTISOCIAL ACTIVITIES SUPPORTING CRIMINAL FRAUD AND GENOCIDE CAN ATTRACT ANYTHING UP TO LIFE IMPRISONMENT OR EVEN THE DEATH PENALTY.**

*(ref: International Criminal Court - The Hague - Nuremberg Code)*

Such activities do not build local community spirit. Belief in overt propaganda has been especially strong during 2020. It is understandable none of us wish to be betrayed or lied to, yet living in dark times, supporting each other through the highest levels of loving kindness, respect, research of truth and integrity is essential.

**BE LOVING - STAY IN INTEGRITY - MAINTAIN TRUTH**
